

# WELCOME TO IVGID: Ready When U R

The District has four statements which are very important to its purpose as well as the community and its employees; these statements are the mission statement, vision statement, value statement and mantra. They are as follows:

## IVGID's Mission Statement

Incline Village General Improvement District is a fiscally responsible community partner which provides superior utility services and community oriented recreation programs and facilities with passion for the quality of life and our environment while investing in the Tahoe basin.

## IVGID's Vision Statement

Through outstanding customer service, with a passion for quality of life and our environment, we will continually enhance the reputation of our community as an excellent place to live, work, recreate, visit and invest.

## IVGID's Value Statement

We are dedicated people providing quality service, for our community and environment, with integrity and teamwork.

## IVGID's Mantra Statement

One District • One Team

IVGID's Mantra Statement helped to create our most current District logo (as shown in the lower right hand corner of this article). While community members might see other logos such as Diamond Peak, Waste Not and the Golf Courses at Incline Village, these are our marketing logos which help distinguish us among their

respective markets. Parks and Recreation and Public Works have taken the District logo and modified it slightly, by including their specific venue identities within the logo, to identify them but keep relative to the District.

Each employee understands the above statements and how they work into their daily working day. At various times in the growth of these statements, employees have been involved in their development. This is an important step as it ensures buy in to what the words mean and translate into.

Next week we will be discussing our Board of Trustees. Remember to check us out on Facebook [IVGID Ready When UR]. You can leave a comment there or send an email to [ReadyWhenUR@ivgid.org](mailto:ReadyWhenUR@ivgid.org).

IVGID is a general improvement district charged with providing water, sewer, trash and recreational services. It has a five member elected Board of Trustees and it holds open public meetings twice a month. It is a transparent entity whose mission is shown above. Did this help – let us know at [readywhenu@ivgid.org](mailto:readywhenu@ivgid.org)

## BREAKING NEWS ITEM

Diamond Peak Ski Resort opens today – come and visit us in our brand new Skier Services Building! We look forward to having you join us to ski our wonderful hill, take advantage of our new facility, enjoy food and beverage in our lodge and just have some great winter fun.

## DID YOU KNOW?

When the first Recreation Fee was assessed it was \$50 and it was for beach privileges – this was in 1968. As time has progressed and amenities have been added, the Recreation Fee has increased. Today's Recreation Facility Fee amount is \$830 for those parcels with beach privileges and it breaks down as follows:

\$128 is for Operating  
\$304 is for Capital \*  
\$298 is for Debt \*  
\$730 Subtotal/Total (without beach privileges)  
\$69 for Operating (Beaches)  
\$31 for Debt (Beaches) \*  
\$830 Total (with beach privileges)

\* for infrastructure such as, but not limited to, Burnt Cedar buildings, skier services building, base lodge at Diamond Peak, Chateau, etc.

Another did you know is that our community has a large portion of second homeowners (over 60%) and a large portion of those homeowners do (a) live in the Bay area; (b) do pay the very same Recreation Fee as every other parcel does; and (c) do enjoy our community at peak times of the year. These are facts. Everyone who owns parcel(s) within our community has the opportunity to have their family, friends, guests, renters, etc. use the recreation privileges offered to each and every parcel owner – it is equal to one and all (beach privileges are the same to all those having those privileges).
